## STAFF ACKNOWLEDGMENT

The Staff Report for Thim Utility Company, Docket No. W-03293A-00-0365, was the responsibility of the Staff member listed below. Kimberly Battista was responsible for the review and analysis of Thim Utility Company's request to cancel the extension of its Certificate of Convenience and Necessity.

Kimberly Battista  
Chief of Compliance

## **Introduction**

On February 4, 2008, Thim Utility Company ("Thim" or "Company") submitted a request to cancel the extension of its Certificate of Convenience and Necessity ("CC&N") for its E&T Division. The Company states that "...development did not take place".

## **Background**

On November 16, 2000, the Commission, in Decision No. 63155, granted the CC&N extension to Thim conditioned upon filing of certain compliance items. On May 17, 2002, Staff docketed a memorandum voiding the CC&N extension for non-compliance. On October 5, 2007, Staff reopened the compliance in order to give the Company due process before cancelling the CC&N extension.

## **Staff's Analysis**

Staff contacted the Company to verify that there were no customers and that there was no development that took place in the extension area.

## **Recommendations**

Staff recommends approval of the request of Thim Utility Company to cancel its CC&N extension for the E&T Division. Upon cancellation, Thim will not be subject to the requirements of Decision No. 63155.

Staff further recommends that Docket No. W-03293A-00-0365 be closed on the effective date of an order cancelling the CC&N extension granted by Decision No. 63155.
